

Description

ProSource 20 is a Food for Special Medical Purposes for use under medical supervision. ProSource 20 is a low volume, high protein (20g / 60ml), low electrolyte, ready to use liquid supplement suitable for patients with increased protein requirements. ProSource 20 contains all essential & non essential amino acids. ProSource 20 has a consistency similar to water and can be taken orally or administered via an enteral feeding tube. ProSource 20 is Halal certified.

Presentation & Pack Size

Presented in 60ml foil lid sealed cups. Available in packs of 36 x 60ml foil lid sealed cups.

Flavours

ProSource 20 is available in Red Berry flavour.

Indications

For the dietary management of hypoproteinaemia.

Precautions & Contra-indications

Must be used under strict medical supervision. For enteral use only. Not suitable as a sole source of nutrition. Not recommended for children under 3 years of age. May not be suitable for vegetarians and other groups due to processing of some of the ingredients. CONTAINS BEEF DERIVATIVES.

Dosage

The dosage of ProSource 20 should be determined by a clinician or dietitian and is dependent on the age, body weight and medical condition of the patient.

Directions for Use

ProSource 20 is a ready-to-use liquid and can be taken orally or administered via an enteral feeding tube without the need for pre-mixing. Shake before use.

Oral Use – ProSource 20 can be taken straight from the cup, or added to hot or cold, foods or drinks, if preferred.

Enteral Tube Feeding – Flush feeding tube. Administer ProSource 20 via an enteral feeding syringe. Once administered, flush tube and then continue enteral tube feeding as prescribed.

Shelf Life & Storage

ProSource 20 has a shelf life of 18 months from date of manufacture. Store unopened at room temperature (not exceeding 25°C). Once opened, consume immediately.

Ingredients

Purified Water, Protein from Hydrolysed Collagen (Bovine) and Whey Isolate (**milk**), Amino Acids (L-Leucine, L-Phenylalanine, L-Valine, L-Isoleucine, L-Lysine, L-Methionine, L-Tryptophan, L-Histidine, L-Threonine), Natural Flavours, Citric Acid, Malic Acid, Lactic Acid, Sucralose, Preservatives: Potassium Sorbate and Sodium Benzoate.

Allergen Statement

ProSource 20 is gluten free. Contains milk.

Recycling Instructions

ProSource 20 cups and foil lids are both widely recyclable. For further details see: [nutrinovo.com/sustainability](https://www.nutrinovo.com/sustainability)

Product Composition
